

AL Khair Preparatory School Newsletter

Friday 4th October 2019

As Salaamu alaikum wa rahmatullaahi wa barakaatuh

This is a wonderful time of the year with so much nature to see and enjoy. As darkness creeps forward and the winter chills set in the air, can I remind all families to stay safe. The children should be collected by an adult at the end of the day, especially if attending an after school club.

This fortnight, was a busy week for all; children, having their photos taken, learning about the importance of recycling, and parents supporting the annual PTA Macmillan Coffee Morning last week.

As always, if you have any other queries or questions, please speak to your child's class teacher, or to our friendly Admin Office who will do their very best to be of help and assistance. As well as the Newsletter, we regularly update school news on the website so please look

Islamic Reminder

BE THANKFUL FOR
WHAT YOU HAVE AND
YOU'LL END UP HAVING
EVEN MORE

IF YOU CONCENTRATE ON
WHAT YOU DON'T HAVE,
YOU'LL NEVER
HAVE ENOUGH

Adhan Recitation

Each Week, the school will be asking a child from Years 4,5 and 6 to recite the Adhan before Zohr Salaah and Jummah Salaah. Inshallah all children who have learnt the adhan will be chosen to perform.

Saalim Siddiqui 5A

Mohamed Yasin Adam 5B

'May Allah accept our efforts and make us from among those who are at the service of Allah every single day.'

Important dates for your diary

Black History Month October 2019

Friday 18th October End of Half Term (Full Day)

Mon 21st Oct. - Fri 25th Oct. Half-term holidays

Monday 28th October Start of Second Half Term

Friday 13th December End of Autumn Term (Half Day*)

Volunteers Needed

If you are interested in joining the PTA or just help when you can, please send an email to the following address:

School News

Recycling Week 2019

For Recycle Week, Children at Al Khair Prep School, enjoyed learning more about recycling in Assembly last week. Year 2B, teacher, Ms Dahaba, explained to children in KS1 the benefits and importance of recycling. Year 3B, teacher, Ms Shabana, led an interactive assembly for children in KS2.

How can parents help their children recycle?

The Quran states "And everything with Him (Allah) is measured" (Qu'ran 13:8) – that unnecessary wastage is not permitted in Islam. We must conserve what we have and reuse where we can so not to squander away the abundance of resources that Allah has provided us with on Earth.

The household task of recycling involves your entire family. Although you may think the responsibility to recycle or reuse household items and product packaging belongs with the adults, children can help make sure recyclable items don't end up in the trash. Simple strategies can teach your children the value of recycling, while making it an enjoyable activity that increases their enthusiasm for reducing environmental waste.

Every Little Helps

- *Reuse your carrier bags!**
- *Turning your computer off at night rather than leaving it in sleep-mode will save 40watt-hours a day!**
- *Brush your teeth without keeping the water running.**
- *Using rechargeable batteries will reduce landfill and save you money!**

Whats happening in School?

Year 3B Science Lesson

This week for Science in Year 3, we investigated the force of friction on various surfaces. The children used ramps covered with different materials and tested the friction of a toy car against them!

Year 3B Humanities Lesson

Year 3A have made pyramids for their exciting Humanities topic of Ancient Egypt.
