### English

This week the children learnt oa and ar sounds. They will continue writing independent sentences using the sounds they have learnt so far, remembering their capital letters, full stops and finger spacing. Please continue reading with your child, and encourage them to read to you. Read anything and everything, not just the reading scheme books. Real books, with pictures, rhyme and enjoyable stories are crucial. Try to encourage your child to talk about the pictures, or to make predictions about what will happen next. It's most important for your child to enjoy reading above all.

They will also have a spelling test every Friday, Please ensure your child learns the spellings.

### Maths

This week in maths children have been adding three more to 10. We also looked at numbers before and after any given number from 1 to 20.
