As-salaamu Alaykum Parents/Carers

Re: School Closure

I hope you are all well and in the best of health.

In light of the growing uncertainty the Covid pandemic is creating. I have taken a decision to keep the school closed for the remainder of this week. Insh'Allah we will review the decision on Friday and let you know if we will be open from Monday 11th January 2021.

We will know more in the coming days; whether there will be a national closure or local lockdowns for schools in Birmingham and Sandwell, at this moment in time I cannot say. Furthermore, based on advice from medics I feel it would be risky keeping the school open as we have 4 teachers who are in the high risk category. Therefore, we don't want to take any unnecessary risks. Alhamdulillah- to date we have always kept the school open and not moved into any isolation phase and plan not to. So please bear with us- this decision is taken in interests of everyone's safety.

The teachers will be providing work for the children for the next four days and will answer any queries you may have relating to school work. The work will be emailed to the email address you have already provided us with. You may already have the teacher email, if not, please email us at admin.oldbury@alkhairschool.org.uk

We plan to re-open as usual on Monday 11th January unless told to do otherwise. If for whatever reason we will not open on Monday we will let you know. If you hear nothing from us on Friday then we will be open on Monday insh'Allah.

Kind Regards

Mr. Akram
(Head Teacher)
